14 August, 2017. A nursing care plan gives nurses direction and information when it comes to providing patient care. Pediatric nursing care plans, like other nursing care plans, contain a number of components, all of which may be altered or slightly changed depending on need or case scenario. The basic function of a nursing care plan is to elaborate on diagnosis, risk factors, interventions, rationales and outcomes in regard to patient care, according to Nursing Care Plans 1 ?.
