Wisdom Defined In the Biblical sense, wisdom is the "ability to judge correctly and to follow the best course of action, based on knowledge and understanding" (Lockyer p. 1103). The Wisdom teachings of the Bible follow from the two great themes of the Ten Commandments and the Greatest Commandments of Jesus : reverence to God, our Creator, and respect for all persons, everywhere.

Social Information Seeking: Leveraging the Wisdom of the ...

Its use of wisdom as a personification of God was an important first step in understanding the person of Jesus Christ. Wisdom is a companion of God and an important intermediary between God and people. This Wisdom can only be achieved through prayer. It is through Wisdom that one knows what God requires.

Wisdom of Solomon (Book of Wisdom) - Bible Study - BibleWise

The Wisdom of Crowds: Why the Many Are Smarter Than the Few and How Collective Wisdom Shapes Business, Economies, Societies and Nations, published in 2004, is a book written by James Surowiecki about the aggregation of information in groups, resulting in decisions that, he argues, are often better than could have been made by any single member of the group.
