799 Little White Country Church Photos—Free & Royalty==

White churches are hard for black people because... The hall of faith seems white washed. The theological, historical narrative passed on in white churches and white seminaries often only speaks of white theologians and heroes of the faith. Can we please remember that Augustine was from Africa and spoke of a pervasive depravity long before Calvin?

Why White Churehes Are Hard for Black People—@Marks

1. Opening of White "Garment Churches": When a man comes to us for an assistance to build a prayer house and help him performing healings etc., he would be given some conditions: a) He will agree to donate to us one or two souls every year. b) At a certain level of office in the church the person would be initiated to our society.
